INTRODUCING THE ONLY PROGRAM WHERE YOU PAY AFTER JOINING - DO NOT KEEP MAILING - FEEL SECURE

READ CAREFULLY

Times are tough, & everyone could use extra money. There are so many mail order programs out there making it hard for people to respond to every promising program.

We make it impossible for you to pass on this plan! Keep reading... you're going to love this!

There is a universal law that says what you give out in life will be multiplied by the very nature in which you give it. If you want more love, give more love. If you want more money then find joy in giving money to others. **Give to other people, and you will receive. It will be poured into your hands – more than you can hold. The way you give to other people is the way God will give to you.** The secret of wealth is helping others get what they want. What you want for yourself, want more for others. "To accomplish great things, we must not only act, but also dream; not only plan, but also believe."-Anatone France

This plan is successful because it revolves around people joining together, not money!

HOW IT WORKS: Join Phase-I by sending in this form. **DO NOT SEND ANY MONEY.** After receiving your camera-ready invitation, invite at least 3 people to join. Once 3 people are signed up under you, send in your \$100 gift, and your work is done. The beauty of this plan is that when you send in your gift of \$100, someone is already signed up to send YOU a gift of \$100 dollars back! Now here is where the gifts start pouring in. Best of all, you are no longer mailing; yet your \$100 dollars keep doubling.

LET ME EXPLAIN! The 1st two people you invited send their \$100 gift to *your* inviter; the **3rd person you invited TAKES OVER FOR YOU** beginning your 1st stream of gifts. They send you \$100 *and* their 1st two invitees' gifts (\$200). That's a total of \$300 dollars in your pocket so far, and all you did was invite 3 people! Those 2 new members also send you *their* 1st two invitees' gifts (\$400). That's a total of \$700 dollars in your pocket, and you didn't even mail to the people sending you money! Now those 4 new members also send you *their* 1st two invitees' gifts (\$800) for a total of \$1,500, and so on, to *INFINITY!* NOTE***IF YOU RECEIVE THIS FLYER WITH A DIFFERENT INVITER, CHOOSE ONE TO JOIN ONLY. DO NOT JOIN MORE THAN ONE INVITER.

The 1st two people NEVER stop getting passed to YOU. Your \$100 dollars keep DOUBLING long after you have stopped mailing, and all you did was invite 3 people.

You are not limited to just 3 either. People will *quickly* pour in under you since they do not have to give this plan a second thought before signing up! Each new person begins a new stream of gifts for YOU. Doubling only 7 times **generates over \$25,000.** Our members are committed to invite just 3 people so they can begin receiving gifts from their 3rd invitee. We want these gifts to pour in for you, but in order for this to happen, you must give it a shot. Remember, you do not pay until someone is signed up to send you a \$100 dollar gift.

Phase-II and Phase-III is when the system really kicks in! This is where your pay lines all start sending you \$500 gifts in Phase-II, and \$1000 gifts in Phase-III; and all you have to do is join! **NO MAILING is required in these phases; your pay lines will automatically follow you** (or miss out on a lot of gifts from their pay lines)! Only 50 people in your stream of gifts generate \$25,000 in Phase-II. The same 50 people generate \$50,000 in Phase-III. Imagine the possibilities when you have 100 or more pay lines. It never stops growing! What if you have more than one pay line!!! These two phases pour in quickly since your pay lines are already established! Unlike other systems that require endless mailing and thousands of people to bring in a decent cash flow every month, this system only requires a few people that your pay line gets for you! You don't even do the work!!! Just 20 people added to your pay line every month would bring you a nice \$2,000.00 dollars every month! *Amounts are based on 1 pay line. Each line can generate the same amounts.

I want to receive unlimited \$100 gifts!

YES! Once three people are signed up under me, I will be notified so that I can send my \$100 gift. I will be given full details in my welcome letter. I will have 5 days to send my gift before I am removed from the group, and the three people I invited will be passed on to other members needing sign ups.

The law states that one can gift up to \$12,000 without any tax liability to either the giver or receiver. The U.S. gifting rules are found in the IRS Tax Code, Title 26, Sections 2501-2504 and 2511.
