GOOD IDEA! When answering an ad from any publication, always try to include a copy if the ad you are answering. Most dealers have several offers and will have no way of knowing what it is you want without the ad... And most of us are terrible at describing things... Especially since so many offers are so much alike. It's just a wise and professional way of doing business by mail. Also avoid mistakes by hand printing your messages... avoid scribbling. Do not just assume everyone can read your writing.

POWERFUL NEW CASH MAKER!!

YOU Can use this Powerful New Cash Maker Program when you want to Quickly Produce some needed CASH!

In just a month or less you could have an extra \$1500, and even more! Just follow the simple instructions and most people can't resist responding to this ever so easy, low cost program. Affordable for all to join!

When you join you will be sent THREE hard hitting, informative Mail Marketing Reports. Keep them, sell the, whatever.

This is an easy, very simple program to work and it can REALLY Pay Off for YOU!

We do all the work for you, so no mailing notes and stuff around to other members.

All you have to do is distribute a quantity of these circulars weekly or as you can. Never any pressure — you 're in control!

Each member named below will send you (through us) a Valuable, Informative Mail Marketing Report!

The reports are titled: (1) "How To Make Money In Mail Order Starting From Scratch" (2) The Five Letters A Day Plan" ~and~ (3) "How To Make Money Selling Information Reports"

When you join as a new member, YOUR name will entered in the first position (Report #1) and all names will slide one space to the right - with #3 being dropped off. As new members join resulting from your circular, your name will slide to #2 position.

With your name ending up on so many circulars in either the #1, #2 or #3 position, it means those powerful \$5 commission payments can come in hot and heavy for a very long time.

Try to make at least 50/100 copies each time and mail them over a week — try to do this every week if you can. Important thing is set a goal and do it regularly. Once your mailings take hold and orders start arriving and you get in the #2 position — it means others are mailing circulars with YOUR NAME ON THEM. The Cash Can Really Add Up For YOU!

That's basically all there is to this POWERFUL but simple program... You and your new members all receive a stack of Powerful and Informative (updated/revised) Mail Marketing Reports. You will be sent your commission on a monthly basis or when it totals \$500.00 which ever comes first. GO TO: www.JKirkman.com for more details on this money generating program.

If in doubt of our integrity... TEST US! Have a friend join as a new member with one of your circulars and watch for your commission. We furnish name and address of each new member joining under you when we send your commission. YOU ARE IN CONTROL!!
