--- Check it out, now! ---

✓ Constantly receiving LOTS of \$400 money orders -- all made out to you -- is awesome! And all this happens when you follow the law of "The Sharing Principle in Action" that Jesus left us. (Just like a "money tree," you plant the seed and water it good for its growth.)

"Because in believing . . . all things come to pass!" MB

Whatever program you're in and promote, the same work is required and it doesn't cost more to promote one or the other. The only difference is if you want to work for \$10 or for \$400. Well, DECIDE!

People are smart and are becoming wiser all the time, and they "see" that it's better to put down the right amount of money to get way more in return than to go with the cheap stuff to collect cheap rewards (a few bucks won't do it).

"The more you believe in your program, the more you'll immerse yourself into it, and the more you'll succeed!" MB

"EC4Y" is actually simple and you really get rewarded well for your efforts to enroll people in.

Plus you don't have to wait for a matrix to fill, or such nonsense; you get your money right away! All you have to do, really, is invite others to become true "financial success" achievers, and this program is what every one of us should be doing.

"Amazing all the money you can get . . . if you believe." MB

➤ When you join this "money revolution," all you have to do is distribute copies of your Camera-Ready flyer, any way you want. Invite people in! You'll find out so many men/women will be excited about this great opportunity to receive so much money!

↳ **The Evolution of Programs!** ↳

I have seen a variation of programs asking people to send \$1 to \$5 [or \$10] each to a number of people on a list. There are also other programs asking for \$20, \$50, \$100 per persons. Plus the programs of \$200 and more per participants are out there too. One of them is even stretched out where \$3800 is required to join in!

Funny thing is all of these programs work! The \$1-each-to-people to the \$3800 programs all work and bring in money to the "achievers" who actively participate in them. (It's not the program that works, for most programs are good; it's the people in the program who make it work.)

A person receives less money in the \$1 program, while he invested only a few dollars, and receives more in a higher-fee program because he invested more in it. It's a simple issue of balance responding to the investment and effort put in, but -- again -- all good programs work.

I have personally been in low-cost programs where I made some money, and also in higher-fee programs where I received more money -- all into adequate proportions of the programs themselves.

The Easiest Big Money You Will Ever Receive!

Why enroll a bunch of people to receive \$100 when only one is now bringing you a quick \$400?

↳ **"EASY CASH 4 YOU (EC4Y)!"** ↳

Discover this "EC4Y" formula now, so you'll easily and quickly receive Big Money!

"Easy Cash 4 You" is a program where you can receive either \$9,300 or \$34,500 or \$234,000 per year. The choice is yours! Make your decision and go for it! "EC4Y"

definitely works and will bring YOU a quick \$400 for each person you enroll. (You don't have to build a "down line" and wait to receive your money only when the matrix is full, or such nonsense -- the cash is immediately available and sent to you!)

★ **In a nutshell, here's all you have to do:**

- ① Go to your Post Office* and buy 4 money orders: one for \$400, one for \$300, one for \$200, and one for \$100. (This may look like a lot of money, but remember: "EC4Y" is a program that brings in an equal return on your investment -- not \$5, \$10, \$20, \$50, or even \$100 per member you enroll, but \$400.)

* Receiving Cash Money would definitely be the BEST, but are you ready to send CASH through the mail? The next best thing to CASH is a "money order" (which can easily be sent by regular F/C mail) and POSTAL money orders are the very best ones we can all use and receive BECAUSE you can cash them directly at the Post Office, leaving no money tracks whatsoever -- so you don't have to worry about taxes and such. Only the person whose name is on the money orders can also cash them, so no cheating -- only assurance. That's why "EC4Y" recommends you use POSTAL money orders.

- ② There are 3 names plus the MONITOR on this flyer. Make out the \$400 money order to #1, the \$300 money order to #2, the \$200 money order to #3 -- and finally, make out the \$100 money order to the MONITOR.

★ IMPORTANT NOTE: Write "free gift" at the bottom on your money orders.

- ③ To save time and make it easier for you, send all 4 money orders -- securely wrapped within this flyer and well sealed in an envelope -- to the MONITOR. No one should be able to see or guess what's inside the envelope. (The 3 money orders -- made out to the 3 "EC4Y" achievers -- are forwarded the same day received.)

Your complete "Info Kit" will quickly be prepared and shipped to you, containing a valuable source where you can get Great Printing at great prices,

an excellent Mailing List source, your top-notch Camera-Ready copy of this flyer (with your name entered in Position #1 where you'll receive \$400 per member), plus a great Print and Mail source! And last, the fascinating \$1000 new report, "Free Ascension to Success: The Road to Your Wealth Accumulation," will also be sent to you, for FREE!

I know you want to receive your annual cash (\$9,300 or \$34,500 or \$234,000) as soon as possible, and I've no doubt you deserve it. So get ready and follow the described "steps" NOW!

Then fill out the "form" below and send this flyer today with the 4 money orders.

"EC4Y" is operated with tax-free donations/gifts only, making it completely legal. Even all the "Info Kit" material is a FREE donation/gift sent to you.

★ **How to receive your [\$9,300 or \$34,500 or \$234,000] -- your choice -- every year!**

The donation/gift cycle is repeated annually on the same month & day you now join us. Of course, the upcoming yearly donations/gifts are always sent from the money you've already received.

☺ **Examples that will determine what you can receive annually!**

---> Say you get 3 people in each:	---> Say you get 5 people in each:
3 x \$400 = \$1,200	5 x \$400 = \$2,000
9 x \$300 = \$2,700	25 x \$300 = \$7,500
27 x \$200 = \$5,400	125 x \$200 = \$25,000
\$9,300	\$34,500

---> Say you get 10 people in each:

10	100	1000
